REPORT ON THE ADMINISTRATION OF MINORS' ESTATES.

PRESIDENCY (EXCLUDING SIND).

Northern Division.

J. H. GARRETT, Esquire, C.S.I., I.C.S.,
Commissioner, N. D.

Central Division.

W. W. SMART, Esquire, I.C.S.,
Commissioner, C. D.

Southern Division.

H. B. CLAYTON, Esquire, C.I.E., I.C.S.,
Commissioner, S. D.

(1) NUMBER OF ESTATES UNDER MANAGEMENT.

Northern Division.—At the beginning of the year there were 6 estates (1 large and 5 small) under management. One small estate (Thana District) was released and no new estate was taken under management during the year. The year thus closed with 5 estates (1 large and 4 small) under management.

Central Division.—At the beginning of the year there were 9 estates (1 large and 8 small) under management. No new estate came under management nor was any retroceded during the year under report. The usual statistical information in respect of all the estates has been embodied in the statements attached.

Southern Division.—At the beginning of the year there were 23 estates under management. Out of these six estates (4 in Belgaum, 1 in Dharwar and 1 in Kolaba) were released. There were thus 17 estates under management at the close of the year.

(2) INCOME.

Northern Division.—The total income of the estates during the year amounted to Rs. 16,753 as compared with Rs. 21,108 during the last year. The decrease is chiefly due to damage caused to cotton crop of the estates in the Ahmedabad District.

Central Division.—The gross income of the estates amounted to Rs. 1,28,960 as against Rs. 2,39,621 in the preceding year. Some

investments of the Bhaiyya Estate were sold in the previous year. There are no such receipts during the year under report and hence the decrease.

Southern Division.—The total gross income of the estates shows a fall from Rs. 55,959 in the preceding year to Rs. 35,184 in the year under report. The release of six estates and the present economic depression were the causes of the heavy decrease.

(3) Expenditure.

Northern Division.—The total gross expenditure of the estates under management amounted to Rs. 12,498 during the year as against Rs. 21,959 during the preceding year. The liquidation of debts of the Thori Thamba and Kherwa estates in the Ahmedabad District was responsible for the large expenditure last year.

Central Division.—The gross expenditure amounted to Rs. 1,12,367 as against Rs. 2,53,353 in the previous year. Last year's figure of expenditure was greater as a large amount of the Bhaiyya Estate was invested in Government securities during that year.

Southern Division.—The total gross expenditure amounted to Rs. 24,514 against Rs. 47,021 in the previous year. The decrease is noticeable in all the districts. The decrease of Rs. 6,074 in Belgaum is attributable to the restoration of four estates. As during the year there were no investments of surplus money in banks, *etc.*, and no extraordinary expenditure on marriage expenses as in the previous year, the expenditure of the Nidgundi Estate in the Bijapur District shows a decrease of Rs. 10,943. In Dharwar and Kolaba, the main cause for the decrease was restoration of the estates and the absence of expenditure on extraordinary items.

(4) Collection of Estates' Dues.

Northern Division.—Out of the total demand of Rs. 12,434 (including Rs. 1,110 on account of arrears), Rs. 12,067 were collected and Rs. 61 written off, leaving a balance of Rs. 306 (Rs. 171 on account of current year and Rs. 135 on account of past years). The amount of Rs. 61 written off pertains to estates in the Broach and Panch Mahals District.

The arrears of Rs. 306 consist of Rs. 15 in respect of estates in the Ahmedabad District and Rs. 291 in respect of dues of the estates in the Broach and Panch Mahals District and are due to low prices of cotton and grains.

Central Division.—The total demand on account of rents including arrears of Rs. 15,453 was Rs. 26,038 of which Rs. 10,708 were collected and Rs. 1,094 were remitted. The balance at the close of the year was Rs. 14,236. Decrees have been obtained for Rs. 7,491. The fall in the prices of agricultural produce continued during the year. The arrears could not therefore be recovered. Steps for their recovery are in progress.

Southern Division.—The total demand on account of rents including arrears of Rs. 28,706 amounted to Rs. 46,673. Rs. 13,562 including over-collections of Rs. 13 were collected and Rs. 2,173 (Rs. 696 in Belgaum and Rs. 1,477 in Dharwar) were written off. Out of the last year's over-collections of Rs. 110, Rs. 71 were accounted for as advance collections for the year under report. The outstanding balance due for collection at the close of the year stood at Rs. 30,880 out of which Rs. 7,165 (Rs. 881 in Belgaum and Rs. 6,284 in Dharwar) were secured by bonds and decrees.

The details of the arrears are :—

District.	Arrears.		Remarks.
	Current.	Previous.	
	Rs.	Rs.	
Belgaum	1,824	5,540	Rs. 34 are reported to have been recovered since the close of the year.
Bijapur	691	150	
Dharwar	16,595	5,837	
Kolaba	171	72	
Total ..	19,281	11,599	
	30,880		

Steps for their recovery are in progress. The slump in prices appears to be the main cause for the heavy arrears.

(5) Government Revenue, Cesses and Rates.

Northern Division.—All Government dues ordered to be recovered were paid in full.

Central Division.—All Government dues were paid in full by the estates.

Southern Division.—All Government dues were paid in full.

(6) Cost of Management.

Northern Division.—The total cost of management amounted to Rs. 1,121 or 8·5 per centum of the gross income as against Rs. 2,053 or 9·7 per centum in the last year.

The decrease is due to the practice of levying 10 per cent. of the demand as cost of management which was prevailing in the Ahmedabad District being discontinued and the actual cost of management being recovered from the estates in accordance with the orders of Government in their Resolution, No. 7587, dated 13th April 1933. The result being that the charges under this head in that District have decreased from 10·2 per cent. in the previous year to 8·6 in the current year.

The charges on account of cost of management of the estates in the Broach and Panch Mahals District increased from Rs. 214 or 6·8 per cent. of gross income in the last year to Rs. 235 or 7·8 per cent. in the current year partly on account of fall of Rs. 127 in the gross income and partly on account of increase of Rs. 22 in management charges.

Central Division.—The total cost of management amounted to Rs. 8,989 or 6·9 per cent. of the total gross income as against Rs. 7,227 or 3·0 per cent. in the previous year.

Southern Division.—The total cost of management was Rs. 3,072 or 8·7 per cent. of the total gross income as against 7·3 per cent. in the preceding year. In the case of one estate in Bijapur, the percentage of the cost of management was as high as 17·8 per cent. In no other case was the normal limit of 10 per cent. exceeded.

(7) Advances to Cultivators.

Northern, Central and Southern Divisions.—No advances were made to cultivators out of the funds of the estates.

(8) Special Scheme for Management.

Northern Division.—All the estates were managed departmentally and no special scheme was necessary for their management.

Central Division.—No special scheme for management was framed or undertaken.

Southern Division.—No special scheme was undertaken.

(9) Maintenance and Education of Minors.

Northern Division.—The total gross expenditure under this head amounted to Rs. 5,896 as against Rs. 5,088. The increase is due to the fact that minor Fatehmahmad Khanji of Thori Thamba has been sent this year to the Talukdari Girassia College at Wadhwan.

There are 7 minors (all males) as against 8 last year as the small estate in Thana District has been released from management this year. Out of them 5 are receiving education as under :—

2 in English Schools.
3 in Vernacular Schools.

5

Of the remaining 2 ward : one looks after household affairs and another has left his studies.

Central Division.—All reasonable demands for the maintenance and education of the minors continue to be met as far as funds permit.

There are in all 12 wards—11 male and 1 female. The female ward, Miss Yamutai Natu, attends the Kanyashala in Poona and is in the fifth English standard. Of the 11 male wards one is not going to school and 10 are receiving education as under :—

1 in College.
6 in English Schools.
3 in Vernacular Schools.

Southern Division.—Reasonable provision was made for the maintenance and education of the minors and their dependants. The total expenditure incurred on this account amounted to Rs. 7,644. There are 22 wards—21 males and 1 female.

Out of the 21 male wards 17 are receiving education as under :—

8 in Vernacular Schools.
6 in English Schools.
3 in Colleges.

(10) Repayment of Debts and Existing Liabilities.

Northern Division.—All the estates are free from debts.

Central Division.—Five out of the nine estates are free from debt. The total balance of debts at the beginning of the year was Rs. 25,157. Additional debt to the extent of Rs. 186 was incurred by the Wani Estate in Nasik District and the Kaswekar Estate in East Khandesh District and only Rs. 505 were repaid by those two estates. The balance of Rs. 24,838 is due from the following estates :—

	Rs.
(1) Bhaiyya Estate in Sholapur District	6,906
(2) Damre Estate in East Khandesh District ..	539
(3) Kaswekar Estate in East Khandesh District ..	8,264
(4) Wani Estate in Nasik District	9,129
	24,838

The debts of the Bhaiyya Estate are deposits of the relatives of the ward and they can be paid at any time.

Southern Division.—The balance of debts at the beginning of the year amounted to Rs. 39,266. No additional liabilities were incurred during the year. The liability was reduced to Rs. 35,198 at the close of

the year by the liquidation of debts to the extent of Rs. 4,068 from current income.

2. Belgaum alone accounts for liabilities amounting to Rs. 26,998. The debt of the only encumbered estate, viz. Huilgol in Dharwar, has now been reduced from Rs. 10,650 to Rs. 8,000.

Out of the 17 estates, 11 are free from debts—2 in Belgaum, 1 in Bijapur, 7 in Dharwar and 1 in Kolaba.

(11) Litigation.

Northern Division.—There were three suits pending at the beginning of the year. Of these one was decided in favour of the estate and no new suit was filed during the year. Thus there remained two suits pending at the close of the year.

Central Division.—The declaring suit filed by the Bhaiyya Estate against Mr. Pandarkar is still pending. In a suit filed by the said estate Rao Saheb Laxminarayan is declared insolvent and a receiver has been appointed.

Proceedings for the execution of the decrees obtained in favour of the minor Hasabnis in Satara District against the tenants in Shirala Peta are going on in the Sub-Judge's Court at Islampur.

The balance at the credit of the Wani Estate in Nasik District has been attached by the sawkar of that estate. The pleader of the estate at Pimpalgaon-Baswant has been asked to approach the Court with a request to remove the attachment on the ground that the amount is required for the maintenance of the wards.

Southern Division.—There were no suits or appeals pending at the beginning of the year. Six suits in Belgaum were instituted during the year and all of them are pending. The Nidgundi Estate in Bijapur filed nine suits out of which three were disposed of and six are pending. In other districts there were no suits.

(12) General Remarks.

Northern, Central and Southern Divisions.—The administration of the estates through the local officers continued to be satisfactory.

MANAGEMENT OF IMMOVEABLE PROPERTY.

6. Out of the 25 estates which were under management, 23 were leased out. As regards the remaining two, the estate of Dipomal in the Hyderabad District could not be leased out owing to a dispute over its possession for which steps are being taken to file an ejection suit and the lease of the second estate, that of Sulleman in the Dadu District, could not be arranged, as the estate is reported to consist of small areas of land at different places and is full of weeds.

MANAGEMENT OF MOVEABLE PROPERTY.

The entire costs have been recovered in one case, while they still remain to be recovered in the second case.
